January 4, 1921.

My dear Mr. Roosevelt:

Very many thanks, indeed, for remembering me. Nothing could have pleased me so much as to receive, in the form of the cuff links, that which will always enable me to look backward to the days we spent together here in Washington and in other parts of the United States, backward to the days with the greatest "boss" that any man could want to serve with.

I am looking forward with the  
greatest pleasure to the good time  
to be had by us all on the 25<sup>th</sup>.

Please remember me to all and  
again with my warmest thanks  
and appreciation, believe me,

Always sincerely yours,

D. H. Canaler
